

MONIMAX™ 5000SE

Value, Delivered

Free Standing Cash Dispenser

Features

- **Maximum Reliability** - Monimax5000SE is designed to provide 2nd to none reliability in the retail market locations with highest uptime and with minimum maintenance needs. You won't have to worry about replacing the parts or sudden breakdowns because the Monimax5000SE is designed to run for a very long time, problem-free.
- **From 1,000 Notes Up to 6,000 Notes Capacity** - Monimax5000SE provides customer the ability to select a dispenser option based on the volume of transactions at the site. The choices vary in configurations from a 1 to 3 denomination dispenser with a 1,000 or 2,000 notes cassette option, offering greatest value and savings. Monimax5000SE is the ideal solution for customers who are looking for the same look and design for multiple locations with various dispenser options.
- **Protection You Can Depend On** - Complying to standards in various regions worldwide, Nautilus Hyosung offers advanced security measures while highly secured integrity of the Monimax5000SE prevents any attempted security breaches from occurring. Monimax5000SE can also be easily integrated with monitoring solutions to provide seamless data transfer for effective management of the self-service channels.
